

ONLINE REGISTRATION OF ANIMALS

One method of online registration is via the Department of Agriculture website - www.agfood.ie

If using it for the first time, follow the **REGISTER FOR ONLINE SERVICES** path. You will get a **USERNAME, PAC** and **PASSWORD**.

This is now **YOUR LOGIN** for this service.

Click Animal Identification and Movements link

Click Register the Birth of an Animal link

Enter ALL animal details on this window

When registering a pedigree animal, enter pedigree name here

When registering an ET ANIMAL click the box Genetic Dam Indicator. This will open the option to enter the genetic dam details and fully register an ET calf
